Intent:

1. ELIMINATION OF TWO REPORTS PREPARED BY UW MEDICAL SCHOOL AND THE MEDICAL COLLEGE OF WISCONSIN

This proposal would eliminate the following two biennial reports required in s. 13.106, Wis. Stats.: medical school enrollments and graduate placement and the financial summaries of the UW Medical School and the Medical College of Wisconsin. There is no evidence that the Legislature or the Executive Branch utilizes these reports and their preparation is time-consuming for members of the medical school staff.

13.106

13.106 Medical College of Wisconsin and UW-Madison Medical School reports.

13.106(1)

(1) (intro.) The Medical College of Wisconsin and the University of Wisconsin-Madison Medical School shall biennially report to the governor and the joint committee on finance on the:

13.106(1)(a)

(a) Minority student recruitment policies and programs of each medical school, and the number of minority students enrolled.

13.106(1)(b)

(b) Number and percentages of Wisconsin residents enrolled.

13.106(1)(c)

(c) Average faculty salaries compared to national averages.

13.106(1)(d)

(d) Development of cooperative educational programs with other institutions throughout this state.

13.106(1)(e)

(e) Placement of graduates of doctor of medicine and residency training programs.

13.106(2)

(2) The Medical College of Wisconsin and the University of Wisconsin-Madison Medical School shall submit a biennial report containing financial summaries for the college and school to the governor and the joint committee on finance, in a consistent format and methodology to be developed in consultation with the medical education review committee under s. 39.16.

13.106(3)

(3) (intro.) By October 15 of each even-numbered year, the Medical College of Wisconsin and the University of Wisconsin-Madison Medical School shall submit a report to the governor and to the chief clerk of each house of the legislature for distribution to the legislature under s. 13.172 (2) that provides information on all of the following:

13.106(3)(a)

(a) The financial status of the family practice residency sites.

13.106(3)(b)

(b) The number of family practice residents choosing to practice in medically underserved areas of the state upon graduation.

13.106(3)(c)

(c) The number of graduates entering family practice as a career.
